Named as Best Groundwater and Best Overall Water of the Year for 2020

SUNRIVER, OREGON – The Oregon Association of Water Utilities 42nd Annual Technical and Management Conference—held each March at Sunriver Resort—proved to be successful for all attendees. At the annual awards banquet, Crooked River Ranch Water Company was named as the Best Groundwater and Best Overall Water in Oregon for the 2020 year. Water from Crooked River Ranch Water Company will be entered to represent Oregon in the National Best Water Contest at the annual National Rural Water Association's Rural Water Rally in Washington D.C. at the end of this year.

Crooked River Ranch Water Company has excellent water which was proven this year by an unbiased panel of three judges who blind taste tested drinking water from around Oregon, judging it on clarity, bouquet, and taste.

Crooked River Ranch Water Company has been a member of the Oregon Association of Water Utilities (OAWU) since November of 1991. OAWU is a non-profit organization with over 800 members and serves Oregon's water and wastewater utilities in hands-on training and technical services.
