Public Water System Compliance Information

March 15, 2012

The CROOKED RIVER RANCH WTR CO in Jefferson County is classified as a "community" water supply and is identified on the Department of Human Services Drinking Water Program public water system inventory by **Public Water System (PWS) Identification Number OR4100862**. This classification is based on the system serving 1,580 residential connections and a population of 4,000 people.

Public water systems are subject to the requirements of Oregon Administrative Rules, Chapter 333 as administered by the Department of Human Services. The state rules are established as required by the federal Safe Drinking Water Act and Environmental Protection Agency.

For specific information regarding this water system, check data online at <http://170.104.63.9> or contact:
