(e) The Board of Directors may refer any issue to a vote of the Membership.

PART IV – BOARD OF DIRECTORS

Revised May 18, 2022

Bylaw 4.1 NUMBER OF DIRECTORS

The Board of Directors shall consist of five Directors, each of which must be a Member of the Corporation.

Bylaw 4.2 TERM OF OFFICE

(a) Directors shall serve three-year terms.

(b) Subject to the provisions of section 4.4, elections will be held annually to fill terms as they expire, and the terms of the Directors shall be staggered such that each year at least one and no more than two Directors are elected for a full term to the Board of Directors.

(c) Beginning with any Director elected at the election held in October 2019, and for each election thereafter, the term of each Director shall begin on November 1st of the year in which the Director is elected and shall conclude on October 31st of the applicable third year.

(d) For any Director appointed or elected to the Board of Directors prior to the election held in October 2019, that Director's term shall conclude on October 31st of the applicable third year.

Bylaw 4.3 NOMINATION OF DIRECTORS

Subject to the other provisions of this section 4.3 below, any Member who is a natural person in good standing pursuant to section 2.1 is eligible to serve as a Director.

No Member may serve as a Director unless that Member's primary residence is the property that serves as the basis for that Member's membership pursuant to section 2.1(a).

No two Members who hold a joint Membership pursuant to section 2.1(b) may serve as Directors at the same time.

No employee of the Corporation may serve as a Director.

The Board of Directors shall adopt a form of application along with a separate Applicant Disclosure Statement. Each applicant for Director shall complete and submit such form to a nominating committee appointed by the Board of Directors no later than ninety days prior to the annual meeting of the Membership. The nominating committee shall consist of four Members. The role of the nominating committee shall be to assist in the recruitment of qualified candidates and to verify the eligibility of each candidate pursuant to the requirements of this section 4.3.

(i) The nominating committee shall begin accepting applications beginning on May 1st of each year in which there is an election.

(ii) Except as provided by section 4.3(e)(iii), all applications shall be submitted to the nominating committee no later than the first Friday of September prior to the election.

(iii) In the event of a vacancy described in section 4.5(a)(i), the nominating committee shall accept applications at any time prior to the next election in a manner that is reasonably calculated to allow the Membership to fill the vacancy at the next election.

The Applicant Disclosure Statement and application shall include, but not be limited to, disclosures of the applicant's residence address, time as a Member of the Corporation and, whether or not the applicant's personal residence is served by the Corporation.

Bylaw 4.4 VOTING FOR DIRECTORS

(a) Except as provided in section 4.4(b), the election of each Director will occur only by mailed ballots and will take place in October of each year.

Write-in candidates will be allowed, provided that such candidates must meet the qualifications of Directors set forth in section 4.3 above.

Election ballots shall be mailed to a neutral third party selected by the Board of Directors. All ballots must be received by the neutral third party no later than forty-eight hours prior to the announced election date.

Election ballots shall be tabulated by a neutral third party selected by the Board of Directors. The neutral third party that tabulates the election ballots shall deliver the results of the tabulation to the Secretary of the Board of Directors. Concurrent with the delivery of the election results, the neutral third party that tabulates the election shall, to the extent practicable, certify that the election ballots contain no evidence of fraud or

coercion altering the outcome of the election. In the event such a certification cannot be made by reason of evidence of fraud or coercion, the election will be deemed void and the Board of Directors shall cause a new election to take place consistent with the provisions of this section 4.4(a).

Failure of any Member to receive a ballot for voting by mail shall not invalidate any election of a Director.

Notwithstanding section 4.4(a), no election by mailed ballots shall be required if the number of qualified candidates for an election is less than or equal to the number of open Director positions for that election. In these circumstances, Directors shall be determined as follows:

In lieu of an election by the Membership, the Board shall appoint each qualified candidate to an open Director position.

If the terms of two or more open Director positions are different, the qualified candidates appointed to those positions shall agree which candidate will fill each position and, failing such agreement, shall be determined by lot.

If any Director positions remain unfilled after all qualified candidates have been appointed and seated, each unfilled position shall be deemed to be a vacant position under section 4.5(a)(2), to be filled by appointment by the Board.

Bylaw 4.5 VACANCIES

(a) Any vacancy on the Board of Directors not caused by the expiration of a Director's term shall be filled:

(i) if the vacancy occurs ninety days or fewer, but more than fourteen days prior to the next annual election, then by a vote of the Membership pursuant to section 4.3 concurrent with the annual election;

(ii) if the vacancy occurs more than ninety days or less than fifteen days prior to the next annual election, then by a majority vote of the remaining Directors.

(b) The term of any Director elected or appointed pursuant to section 4.5(a) above shall be the remainder of the vacated term that results in the election or appointment.

Bylaw 4.6 TERMINATION OF DIRECTORS

(a) Termination of a Director's membership in the Corporation shall terminate automatically that Director's position on the Board of Directors.

(b) Members may remove a Director by means of a recall election pursuant to section 3.5 above.

(c) The Board of Directors, by a majority vote of the Board, may initiate a recall election of any Director from the Board of Directors if the majority of the Directors in their judgment deems that Director's presence on the Board not to be in the best interest of the Corporation.

Bylaw 4.7 DIRECTOR COMPENSATION

Directors shall serve without pay for personal services as a Director. Directors may use the resources of the Corporation only for the direct benefit and use of the Corporation, and any other use of the Corporation's resources by a Director may be cause for removal pursuant to section 4.6 above.

Bylaw 4.8 POWERS AND DUTIES OF DIRECTORS

The authority and duties of the Board of Directors shall include the following, as well as such other powers and duties as may be vested in the Board of Directors by law.

(a) The Board of Directors shall have general supervision and be responsible for the oversight of all business affairs of the Corporation, and shall make all necessary rules and regulations, not inconsistent with law or with the Bylaws or Articles of Incorporation, for the management of the Corporation and the guidance of the Officers, employees and agents of the Corporation.

(b) The Board of Directors may in its discretion employ a General Manager under contract who shall hold the position subject to such terms and conditions as may be fixed by the Board.

(d) The Board of Directors shall call such special meetings of the Membership as it may deem necessary or advisable.

(e) The Board of Directors shall select one or more banks as a depository of funds of the Corporation and determine the manner of receiving, depositing and disbursing the funds of the Corporation, with full power from time to time to change such depositories and determinations.

(f) The Board of Directors may invest or convert the funds of the Corporation reserve in or into such securities as the Board may find advisable and proper.

(g) The Board of Directors, by affirmative vote of at least three Directors, may borrow money or authorize any Officer or the General Manager of the Corporation to borrow money, in the name and on behalf of the Corporation, for any Corporation purpose either on open account or secured in any manner by any assets of the Corporation or any of the Corporation's reserves, in such amounts and upon such terms and conditions as the Board of Directors may deem necessary or advisable.

(h) In addition to the foregoing express authority and duties, the Board of Directors may exercise such powers and do such lawful acts as it may find to be proper and necessary or expedient for accomplishing any of the lawful purposes of the Corporation.

(i) The Board of Directors may, subject to approval by a vote of the Membership pursuant to section 3.5 above, make donations for the public welfare or for charitable, scientific or educational purposes, as the Board finds may result in a present or foreseeable future benefit to the Corporation or to the Membership as a whole:

(i) provided, such donations may not be made to any individual and must be made only to a group of persons and/or entities comprised, at least in part, of Members; and

(ii) notwithstanding this subsection, the Board may, without a vote of the Membership, make such donations if such donations do not exceed \$100 in value per donee per year; and provided that the Board of Directors approves such donations each calendar year.

(j) The Board of Directors may adopt a Policies and Procedures Manual setting forth the specific manner in which the Board of Directors and individual Directors operate in furtherance of the powers and duties set forth in these Bylaws in general, and in this Section 4.8 in particular. Each Director shall have an opportunity reasonable under the circumstances to review and to provide comment on the initial adoption of a Policies and Procedures Manual and any amendments thereto.

Bylaw 5.2 REGULAR QUARTERLY MEETINGS

The Board of Directors shall hold Regular Meetings on a schedule to be established by Resolution as the Board of Directors sees fit. Such Regular Meetings shall consist of at least four Quarterly Meetings each year at a time and place designated by the Board of Directors that is within reasonable proximity to the area in which the Corporation provides service, including but not limited to the cities of Terrebonne, Oregon and Redmond, Oregon. In addition to Quarterly Meetings, the Board of Directors may establish by Resolution any other schedule and process for Regular Meetings. All Regular Meetings will be public, excluding executive sessions, with advance notice of each meeting included with the monthly water bill preceding the scheduled meeting date. Bylaw 5.3 SPECIAL MEETINGS (ORS 65.204)

A Special Meeting of the Board of Directors shall be held whenever called by the President or by three or more Directors. Any Special Meeting may be open to the public at the discretion of the Board of Directors.

Bylaw 5.4 NOTICE

Notice of each Regular Meeting and Special Meeting of the Board of Directors shall be mailed to each Director, at that Director's address of record with the Corporation, not less than five days prior to the time of such meeting or shall be given by telephone or email not less than twenty-four hours prior to that meeting. Notice of any meeting may be waived in writing. Notice of the meeting shall be waived by attendance at the meeting unless the purpose of attendance is solely to object to the transaction of any business at the meeting on the ground that the meeting was not lawfully called.

Bylaw 5.5 QUORUM

Except as provided in other provisions of these Bylaws, three of the five Directors on the Board of Directors shall constitute a quorum necessary for the transaction of any and all business of the Corporation. In the event there shall be in attendance at any meeting of the Board of Directors a lesser number than a quorum, that number may adjourn the meeting to another day, until a quorum can be present. Each person who at any time has served or serves as a Director, officer or agent of the Corporation shall be indemnified by the Corporation against liabilities incurred as a result of, and expenses (including attorney's fees) reasonably sustained in the defense or in the compromise or settlement of, any civil, criminal, or other action, suit, or proceeding, in which that person may become involved as a party or with which that person may be threatened, by reason of that person being or having been a Director, Officer or agent of the Corporation, provided, however, that such indemnification shall not apply to any claim, action, suit, or other proceeding in which the Director, Officer or agent is adjudged liable for negligence or misconduct in the performance of duty, or in which that person shall have entered a plea of guilty or nolo contendere, unless the Corporation shall receive a written opinion of independent legal counsel that (a) the conduct of that person in connection with such matters was in good faith, for a purpose which that person reasonably believed to be in the best interests of the Corporation, and, in any criminal action, in addition, that such person had no reasonable cause to believe that such person's conduct was unlawful, and (b) that indemnification pursuant to the provisions of this section 5.7 may be legally and validly made.

(c) Officers shall serve without compensation for personal services. Officers may use the resources of the Corporation only for the direct benefit and use of the Corporation, and any other use of the Corporation's resources by an Officer may be cause for removal pursuant to section 6.2 below.
